The Mayor's Cup Charity Regatta is our annual fundraising event. It was created to raise awareness of the health of the Great South Bay. Set on the magnificent waterfront at the historic Long Island Yacht Club with views to the Robert Moses Bridge, this event directly follows the multi-class Mayor's Cup Regatta.

We have live music, open bar, oysters, seafood, and mainland delicacies from top local restaurants. We have tons of educational entertainment and a silent auction. It's a beautiful event with a high-end feel while raising awareness of the health of the Great South Bay and our organization's efforts to revitalize it.

Your sponsorship helps us make a difference in the health of the Great South Bay.
